Extended Day Opportunities

Preschool Extended Enrichment Program (PEEP)

GCA PEEP is designed to provide additional learning experiences outside of the regular preschool day. Children will have the opportunity to explore, in more depth, concepts that are presented during the morning preschool class through stories, crafts, games, songs and Spanish instruction.

PEEP will begin the first full week of preschool in September, and will be offered through the last regular day in May. PEEP will not be available when GCA is closed.

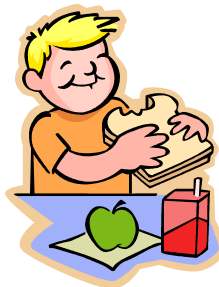

PEEP is offered Monday-Friday from 12:00-3:30 and is available to all enrolled morning preschool students. A minimum attendance of 2 afternoons per week is required.

PEEP tuition is an annual charge based on the days a student is registered to attend. This charge can be paid in 9 or 12 monthly installments for your convenience. **There is no pro-rating for short months or student absences.** The registration fee for PEEP is \$50 and is non-refundable. A monthly bill for PEEP will be sent and payment will be due within 10 days.

PEEP Tuition

Days per Week	9 payments (Sept-May)	12 payments (June-May)
